Is Independent Living The Right Choice?

As we age, many of us are faced with the prospect of revising our living arrangements. While thinking about moving can be a source of anxiety and stress, planning ahead can give you more choices in your level of independence and quality of life.

Grand Traverse Pavilions understands your choices and offers independent living exclusively for seniors who desire an active and healthy lifestyle. Our award-winning senior community features independent living apartments on the luxurious third level of historic Hawthorn Cottage.

Hawthorn Lofts have breath-taking views of the grand lawn that appeal to adults age 55 plus who want a comfortable home and peace of mind as they downsize from maintaining their homes and yards.

A vital component of independent living is that maintenance and upkeep are no longer overwhelming. Hawthorn Lofts are more compact with easier navigation. Just as with regular housing, you

can hire in help to assist you. However, if you or your loved one requires additional assistance, you have priority access to our assisted living, rehabilitation, and long-term care services.

Consider that at Hawthorn Lofts you have the freedom and flexibility to keep up your apartment. You have access to transportation to visit others, shop, or keep doctor's appointments.

Independent living can give you built-in social network of peers and eliminate the boredom and frustration of not getting out of the house.

Hawthorn Lofts are close to Munson Medical Center, the Village at Grand Traverse Commons, and thriving downtown Traverse City. They offer the comfort, security, and amenities you desire.

As you look to the future and your current state of health, the Hawthorn Lofts can provide additional personal care and staff support for you or your loved one. You have choices.
